

Highland Vault – Generic Country Annex (Ireland & Other Permitted Countries)

This Annex is intended to apply to residents of Ireland and any other countries expressly permitted by the Promoter from time to time. It supplements and overrides the Master Terms & Conditions only to the extent required by applicable local law. All other provisions of the Master Terms remain in full force and effect.

A. Eligibility

Residents of Ireland and other permitted countries aged 18 or over may enter Draws unless expressly excluded on the relevant Draw page. Proof of age and residency may be required.

B. Free Entry and Paid Entry

Where a Draw includes both paid and free routes to enter, any free entry route is genuine, clearly disclosed, and treated equivalently to paid entry. Each valid entry has an equal chance of winning irrespective of the route used.

C. No Purchase Necessary

Entry into a Draw does not require a purchase. Any paid entry option does not increase the odds of winning.

D. Prizes and Delivery

Prizes may be delivered to the Winner's residential address in the relevant permitted country, subject to applicable laws, carrier restrictions, and age-verification requirements. Alcohol prizes will only be delivered following confirmation that the recipient is aged 18 or over.

E. Publicity

Participation in publicity activities (including publication of a Winner's name, town, or image) is optional and subject to the Winner's consent. Winners may decline publicity without affecting their entitlement to a Prize.

F. Data Protection

Personal data is processed in accordance with applicable data protection laws, including the UK GDPR and EU GDPR where relevant. Marketing communications are sent only where explicit consent has been provided and may be withdrawn at any time.

G. Consumer Protection

Nothing in the Master Terms or this Annex limits or excludes any mandatory consumer protection rights applicable in the participant's country of residence.

H. Governing Law

The governing law clause in the Master Terms applies subject always to mandatory local consumer protection laws applicable in the participant's country of residence.
